

January 04, 2016

**Attention:** Boris Margol  
HAM-LET (ISRAEL-CANADA)LTD  
NAZARETH ILLIT, 17000  
BOX 824  
ISRAEL,

The design submission, tracking number 2015-08385, originally received on December 02, 2015 was surveyed and accepted for registration as follows:

|                      |                             |                     |                  |
|----------------------|-----------------------------|---------------------|------------------|
| <b>CRN :</b>         | 0C16439.2                   | <b>Accepted on:</b> | January 04, 2016 |
| <b>Reg Type:</b>     | New Design                  | <b>Expiry Date:</b> | January 04, 2026 |
| <b>Drawing No. :</b> | BALL VALVES: H6800, 6800CNG |                     |                  |
| <b>Fitting type:</b> | VALVES                      |                     |                  |

**The registration is conditional on your compliance with the following notes:**

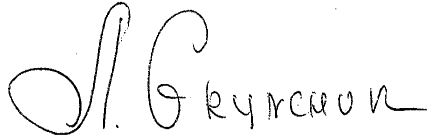

*This registration is valid only for fittings fabricated at the location(s) covered by the QC certificate attached to the accepted AB-41 Statutory Declaration form. This registration is valid only until the indicated expiry date only if the Manufacturer maintains a valid quality management system approved by an acceptable third-party agency until that date. Should the approval of the quality management system lapse before the expiry date indicated above, this registration shall become void.*

*CRN covers valves Models H6800SSL1/L3 listed in the ANNEX1. Pages 2 & 3.  
Made of ASTM A351 GrCF8M and ASTM A-479 316L. Sizes 1/16" thru 3/4" Design Temperature per High Performance Ball Valves H-6800 & H6800 CNG Series catalogue is 410 /-40F for material A351 CF8M and 500/-40F for A 479 316L. Pressure rating per tables.*

An invoice covering survey and registration fees will be forwarded from our Revenue Accounts.
